Dear members,

I hope the first part of 2017 has found you well. As I dig out from the snow, I can only think of how beautiful the forest and desert will be this summer. But before I get to summer, I have to attend the 31st Annual Rock and Gem Show. March is fast approaching and so is our show. We are in need of volunteers to help with various activities. Contact myself or Marv Stump to sign up.

Let's make this show the best to date.

Your President,

2017 ROCK & GEM SHOW UPDATE

March 11 & 12

By Marv Stump

Once again, the club is moving toward the March show. At the time of this writing, we have had four meetings. Most of the committees have someone heading them up. We still need to find someone to head up the kids' corner and for night security, two people each for Friday and Saturday night.

People were asking **where do we need help?**

People are needed to work at the **front door selling tickets**. Eight people in two-hour shifts on Saturday and six people in two-hour shifts on Sunday. Marolyn is in charge of the front door ticket sales. Most of the slots have been filled and a sign-up sheet will be available at the February meeting to try to fill the open slots.

The **silent auction** will need some help, at this point the number is unknown. No specific times for this project. Kristin is in charge so contact her if you are interested.

Laura will need a couple of people to help **sell tickets for the raffle**. She will be asking around.

The **wheel-of-fortune and sand box** is a busy place, with lots of kids moving through. Help will certainly be needed here. Kathi is in charge of this

event. The fairgrounds requires that we have someone at the show 24 hours a day (and night). So we will be looking for two people to spend the night on Friday and two on Saturday for night **security**. You bring a bedroll and settle in after everybody else leaves.

Thursday afternoon before the show several of us lay out the electrical system that is required to have electricity available for the dealers and demonstrators. **Friday morning at 9 a.m. we need everyone** who can, to be at the fairgrounds to set up and put skirting and covers on tables (over 100), distribute chairs, assemble and set up display cases (24 cases), and all the other smaller items that need to be done. This generally takes two to three hours, then the dealers, displayers, and demonstrators can begin setting up. **Sunday at 4 p.m. we again need everyone** to help tear everything down and clean up. This includes helping the dealers move their material out of the building.

Then for those that are interested, the club buys pizza after we are done at the fairgrounds.

The remaining show committee meeting dates are Feb. 16, and March 2. All meetings are at 6 p.m. at the museum meeting room. **Please come and join us, we can use your help!**

SO YOU THINK YOU HAVE TROUBLES

Here is the sad tale of a man who wanted to sell a rock saw. It was reported that he advertised it in the classified section of a Canadian newspaper. To put it mildly, he had problems when his ad appeared like this:

Monday – For sale. Sam Jones has one rock saw for sale. Phone after 7 p.m. 968. Ask for Mrs. Kelly who lives with him cheap.

Tuesday – We regret having made an error in Mr. Jones' ad that appeared yesterday. It should have read, "For sale. Sam Jones has one rock saw for sale cheap. Phone 968 and ask for Mrs. Kelly who lives with him after 7 p.m."

Wednesday – Mr. Jones informs us that he has received several annoying phone calls because of an error that appeared in his classified ad. His ad is corrected: "For Sale. Sam Jones has one rock saw for sale, cheap. Phone 968 after 7 p.m. and ask for Mrs. Kelly who loves him.

Thursday – NOTICE! I, Sam Jones have no rock saw for sale. I smashed it. Don't call 968. The phone has been taken out. I have not been carrying on with Mrs. Kelly. Until yesterday she was my housekeeper.
